*The Pinehurst Estates Homeowners Association provides this list of contractors for Owner convenience. These contractors have performed services for Pinehurst Owners. All contractors were contacted to ensure their interest in being included on this list. This may not be an all-inclusive list. Contractors will be added periodically.*

*These contractors are assigned a gate code for their business that is changed yearly with insurance confirmation. It is best not to use a personal code for local contractors.*

*If you use a contractor – vendor – service provider who would like to be included, please contact Carrie Karge at 503-739-7190 or [pinehurstgate@yahoo.com](mailto:pinehurstgate@yahoo.com) with their contact information.*

*Reviews or comments regarding contractors should be provided to Carrie and will be included with the list.*

*The HOA does not recommend contractors for Owner service and use.*
